

STUDENT LOAN® START OVER

Get a Fresh Start after federal student loan default!

The U.S. Department of Education's [Fresh Start initiative](#) is a free opportunity for borrowers to quickly and easily resolve their federal student loan default. There's no lengthy process like before, but student loans are confusing!

It's why you need to know about Student Loan Start Over, a unique opportunity for Milwaukee County residents to access free loan counseling support.

Although Fresh Start is not a loan forgiveness or relief program, its benefits are incredible and too important to be overlooked or misunderstood.

One call does it all.

Expert loan counselors will share how Fresh Start works and call your loan holder with you to opt into the program. Once your loans return to good standing:

- You'll regain eligibility for federal student aid and forgiveness options.
- Counselors will help you select the best repayment plan for your situation, some with payments as low as \$0 per month.
